REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation, including a public hearing for location and design, of the Preliminary Transportation Corridor of the Santan Freeway, State Route 202 Loop, within the above referenced project. This portion was previously established as a State Route by Arizona Transportation Board Resolution 85-04-A-034, dated April 26, 1985; and thereafter refined by Resolution 89-01-A-06, dated January 16, 1989.

A portion of the Corridor is ready for construction. Accordingly, it is now necessary to establish that portion of the State Route Corridor of the Santan Freeway as a State Highway and that access to said highway shall be controlled.

The portion of right of way to be established as a State Highway is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Right of Way Plans, SANTAN FREEWAY, Project 202LMA000H087401R; 202LMA000H460801R; 101LMA059H222203R / RAM 600-7-701."

In the interest of public safety, necessity and convenience, I recommend that the area depicted in Appendix "A" be established and improved as a State Highway.
