REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the establishment and improvement of existing City of Nogales streets as temporary State Route 189 within the above referenced project.

Sidewalks and pedestrian safety improvements at the junction of S.R. 189 and S.R. B-19 are to be constructed as established by Arizona Transportation Board Resolution 98-12-A-62, dated December 18, 1998. During the construction period, it will be necessary to provide an alternate route to prevent traffic congestion in the construction area. Accordingly, it is necessary to establish and improve the existing city streets as a temporary state route and state highway.

The existing City of Nogales streets to be established and improved as temporary S.R. 189 are depicted in Appendix "A".

In the interest of public safety, necessity and convenience, I recommend that the existing City of Nogales streets depicted in Appendix "A" be established and improved as a temporary state route and state highway, to be abandoned upon completion of the S.R. 189 and S.R. B-19 improvement project by a subsequent Arizona Transportation Board Resolution.

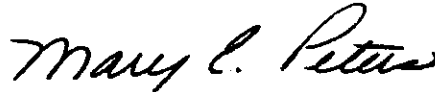

I further recommend the acquisition of material for, or incidental to, the overlay improvements of the existing City of Nogales streets.
