REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the establishment and improvement of a portion of State Route 89A within the above referenced project.

This portion was previously established as a state highway designated State Route 79 by Arizona Highway Commission Resolution dated May 23, 1934, page 692 of the Official Minutes; thereafter Arizona Transportation Board Resolution 93-02-A-08, dated March 19, 1993, redesignated and renumbered State Route 79 to State Route 89A.

Additional right of way is now needed to correct the traffic operating characteristics at the J.W. Powell Boulevard Traffic Interchange. Accordingly, it is necessary to establish and acquire the additional right of way for this project.

The additional right of way to be established and acquired for this improvement is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Final Design Concept Report, PRESCOTT - FLAGSTAFF Highway, Project S A89-B-700 / 089ACN399H413401R dated September 2000."

In the interest of public safety, necessity and convenience, I recommend that the area depicted in Appendix "A" be established and improved as a state route and state highway.

I further recommend the acquisition of the new right of way, material for construction, haul roads and various easements necessary for or incidental to the improvement.
