REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation, including a public hearing for location and design, of the Preliminary Transportation Corridor of the Santan Freeway, State Route 202 Loop, within the above referenced project.

This portion was previously established as a Preliminary Transportation Corridor for the Southeast Loop Freeway, designated State Route 220 by Arizona Transportation Board Resolution 85-04-A-34, dated April 26, 1985; Resolution 87-12-A-115, dated December 18, 1987, established a refined portion of the State Route Plan for the Southeast Outer Loop; thereafter Resolution 87-11-A-105, dated December 18, 1987, redesignated and renumbered State Route 220 to State Route 202 Loop; and Resolution 89-01-A-06, dated January 16, 1989, refined the corridor further and authorized advance acquisition.

This portion of the State Route 202 Loop, is now ready for utility relocation construction activities. Accordingly, it is now necessary to establish this portion of the State Route Corridor of the Santan Freeway as a State Highway and that access be controlled.

The portion of right of way to be established as a state highway is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Right of Way Plans, SANTAN FREEWAY, Project 600-7-803 / 202LMA000H538101R."
