REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the establishment and improvement of a portion of State Route 89 within the above referenced project.

This portion was previously established as a state route and state highway, designated U.S. Route 89, by Arizona Highway Commission Resolution dated September 9, 1927, page 26 of the Official Minutes; thereafter Arizona Transportation Board Resolution 92-08-A-056, dated August 21, 1992, redesignated and renumbered U.S. Route 89 to State Route 89.

Additional right of way is now needed to extend culverts and flatten slopes to enhance the safety of the traveling public. Accordingly, it is necessary to establish and acquire the additional right of way for this project.

The additional right of way to be established and acquired for this improvement is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "30% Design Plans, dated November 1, 2002, WICKENBURG - PRESCOTT Highway, Project S 089-A-702 / 089YV258H571701R."

In the interest of public safety, necessity and convenience, I recommend that the area depicted in Appendix "A" be established and improved as a state route and that the area be established as a state highway prior to construction.
