REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the amended establishment and improvement of State Route 89A within the above referenced project.

This portion was previously established as a state route by Arizona Transportation Board Resolution, dated September 19, 2003.

Due to design change, the area to be acquired has been modified. It is now necessary to amend the previous resolution to show the design change.

The amended right of way is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Revised Right of Way Plans, dated December 12, 2003, PRESCOTT - FLAGSTAFF Highway, Project S-A89-B-701 / 089ACN382H552301R"

In the interest of public safety, necessity, and convenience, I recommend the amendment of Resolution 2003-09-A-052, recorded on September 26, 2003 in Document No. 3227013 and re-recorded November 3, 2003 in Document No. 3233609, and that the modified area of right of way depicted in Appendix "A" be established and improved as a state route and state highway.

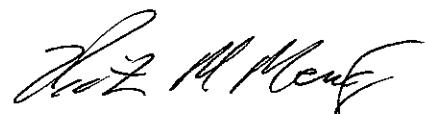

I further recommend the acquisition of the modified right of way, material for construction, haul roads and various easements necessary for or incidental to the improvement.
