REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the establishment and improvement of a portion of State Route 89 and State Route 69 within the above referenced project.

This portion was previously established as a state route and a state highway designated U.S. Route 89 by Arizona Highway Commission Resolution dated September 9, 1927, page 26 of the Official Minutes, various Resolutions established additional right of way for improvements thereof; subsequently, Arizona Transportation Board Resolution 92-08-A-056 dated August 21, 1992, redesignated and renumbered U.S. Route 89 to State Route 89; and Resolution 2003-01-A-002 dated January 17, 2003 established additional right of way for improvements thereof.

Additional right of way is now needed to construct traffic Interchange improvements to enhance safety for the traveling public. Accordingly, it is necessary to establish and acquire the additional right of way for this project.

The additional right of way to be established and acquired for this improvement is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "60% Design Plans, dated February 17, 2004, PRESCOTT - ASH FORK Highway, Project F-029-1-709 / 089YV312H395701R."
