REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the amended establishment and improvement of State Route 195 within the above referenced project.

This portion was previously established as a State Route Plan by Arizona Transportation Board Resolution 2002-11-A-058.

Due to design change, the area to be acquired has been modified. It is now necessary to amend the previous resolution to show the design change.

The amended right of way is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "60% Design Plans, dated June 17, 2004, YUMA AREA SERVICE HIGHWAY, Project N-900-A-800 / 195YU000H577401R."

In the interest of public safety, necessity, and convenience, I recommend the amendment of Resolution 2002-11-A-058, dated November 15, 2002, recorded December 5, 2002 in Fee #2002-34870, and that the modified area of right of way depicted in Appendix "A" be established and improved as a state route.

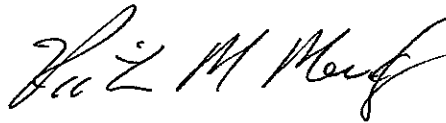

I further recommend the acquisition of the modified right of way, material for construction, haul roads and various easements necessary for or incidental to the improvement.
