REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the establishment and improvement of a portion of U.S. Route 191B, also known as Pan American Avenue within the above referenced project.

This portion was previously established by Arizona Highway Commission Resolution 62-94, dated May 4, 1962 as a state route designated U.S. 666; Resolution 62-112, dated July 16, 1962 established this portion as a state highway; thereafter Arizona Transportation Resolution 92-09-A-064 redesignated and renumbered U.S. Route 666 to U.S. Route 191B.

Additional right of way is now needed for improvements including enhancement of traffic control signaling, crosswalks and ADA accessible ramps. Accordingly, it is necessary to establish and acquire the additional right of way for this project.

The additional right of way to be established and acquired for this improvement is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Right of Way Plans, PAN AMERICAN AVENUE - DOUGLAS Highway, Project U-191-N-800 / 191BCH000HX15701R."

In the interest of public safety, necessity and convenience, I recommend that the area depicted in Appendix "A" be established and improved as a state route and state highway.
