REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the establishment and improvement of a portion of State Route 89 within the above referenced project.

This portion was previously established as a state route and a state highway designated U.S. Route 89 by Arizona Highway Commission Resolution dated September 9, 1927, page 26 of the Official Minutes; various Resolutions throughout the years authorized improvements and subsequently, Arizona Transportation Board Resolution 92-08-A-056 dated August 21, 1992, redesignated and renumbered U.S. Route 89 to State Route 89.

Additional right of way is now needed for widening improvements. Accordingly, it is necessary to establish and acquire the additional right of way for this project.

The additional right of way to be established and acquired for this improvement is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "95% Design Plans, dated August 13, 2004, PRESCOTT - ASH FORK Highway, Project S 089-B-701 / 089YV313H618701R."

In the interest of public safety, necessity and convenience, I recommend that the area depicted in Appendix "A" be established and improved as a state route and that the area be established as a state highway prior to construction.
