REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the abandonment of a portion of right of way acquired for Interstate Route 19 within the above referenced project.

This portion was previously established as an access controlled state route and state highway by Arizona Highway Commission Resolution 61-54, dated October 11, 1960; thereafter Arizona Transportation Board Resolution 98-06-A-024, dated June 19, 1998, established additional right of way for improvements thereof.

A portion of the previously acquired right of way is no longer needed for state transportation purposes. The City of Tucson has agreed to accept jurisdiction of the right of way. Accordingly, I recommend that the State's interest in the portion of right of way be abandoned.

The portion of right of way to be abandoned is depicted in Appendix "A" and delineated on the maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Right of Way Plans, NOGALES - TUCSON Highway, Project I-19-1-800 / 019PM059H260901R."

I further recommend that the portion of right of way depicted in Appendix "A" be removed from the State Highway System and abandoned to The City of Tucson.

All other rights of way and easements and appurtenances thereto subject to the provisions of Arizona Revised Statutes Section 28-7210 shall continue as they existed prior to the disposal of right of way depicted in Appendix "A".

Pursuant to Arizona Revised Statutes Section 28-7046, I recommend that the Transportation Board adopt a resolution making this recommendation effective.

Respectfully submitted,
