REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the establishment and improvement of a portion of State Route 179 within the above referenced project.

This portion was previously established as a state route, designated State Route 179, by Arizona Highway Commission Resolution 60-76, dated February 1, 1960; Resolution 61-74, dated November 15, 1960, established State Route 179, as a state highway; Resolution 67-85, dated November 20, 1967, established additional right of way for improvements; Resolution 68-21, dated April 5, 1968, established additional right of way for improvements; thereafter Resolution 76-14-A-44, dated August 20, 1976, established additional right of way for improvements; Resolution 87-02-C-08; dated February 23, 1987, designated that portion of State Route 179 as the Redrock Scenic Road thereof.

Additional right of way is now needed for improvements to enhance safety for the traveling public. Accordingly, it is necessary to establish and acquire the additional right of way for this project.

The additional right of way to be established and acquired for this improvement is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Right of Way Plans, RIM ROCK - SEDONA HIGHWAY (SR 179), Project S-238-805 / 179YV304H341402R."
