REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the establishment and improvement of a portion of State Route 89 within the above referenced project.

This portion was previously established as a state route and state highway designated State Route 89 by Arizona Highway Commission Resolution dated September 9, 1927, page 26 of the Official Minutes; thereafter Arizona Transportation Board Resolution 85-04-A-028, dated April 26, 1985, established additional right of way for improvements thereof.

Additional right of way is now needed to relocate the intersection of State Route 89 and County Road 15 which will improve the operational and safety characteristics for the traveling public. Accordingly, it is necessary to establish and acquire the additional right of way for this project.

The additional right of way to be established and acquired for this improvement is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "60% Design Plans, dated December 9, 2005, WICKENBURG - PRESCOTT Highway, Project S-089-A-703 / 089YV289H543501R."

In the interest of public safety, necessity and convenience, I recommend that the area depicted in Appendix "A" be established and improved as a state route and that the area be established a state highway prior to construction.
