REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the establishment and improvement of a portion of State Route 89 within the above referenced project.

This portion was previously established as a state route and state highway by Arizona Highway Commission Resolution dated September 9, 1927, page 26 of the Official Minutes. Various Resolutions established additional right of way for improvements thereof.

Additional right of way is now needed to improve the intersection which will have a positive impact on traffic operational characteristics for the traveling public. Accordingly, it is necessary to establish and acquire the additional right of way for this project.

The additional right of way to be established and acquired for this improvement is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Right of Way Plans, PRESCOTT - ASH FORK Highway, Project S-089-B-702 / 089YV317H670101R."

In the interest of public safety, necessity and convenience, I recommend that the area depicted in Appendix "A" be established and improved as a state route and that the area be established as a state highway prior to construction.

I further recommend the acquisition of the new right of way, material for construction, haul roads and various easements necessary for or incidental to the improvement.

Pursuant to Arizona Revised Statutes Section 28-7046, I recommend the adoption of a resolution making this recommendation effective.

Respectfully submitted,
