REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the abandonment of a portion of right of way acquired for State Route 89 within the above referenced project.

This portion was previously established as a state route and state highway designated U.S. Route 89 by Arizona Highway Commission Resolution dated September 9, 1927, page 26 of the Official Minutes; Various Resolutions authorized improvements and subsequently, Arizona Transportation Board Resolution 92-08-A-056 dated August 21, 1992, redesignated and renumbered U.S. Route 89 to State Route 89 and Resolutions 04-11-A-061 dated November 19, 2004 and 05-02-A-015 dated February 18, 2005 established additional right of way for improvements thereof.

A portion of the previously acquired right of way is no longer needed for state transportation purposes. The City of Prescott has agreed to accept jurisdiction of the right of way for a continued public transportation use per Intergovernmental Agreement No. 01-128 dated January 30, 2002, and amended April 20, 2005, as filed with the Secretary of States Office No. 25125. Accordingly, I recommend that the State's interest in the portion of right of way be abandoned.
