REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the abandonment of right of way acquired for U.S Route 89 and State Route 40B (Old U.S. Route 66) to the City of Flagstaff within the above referenced project.

The area to be abandoned was previously established as a state route and state highway, by various Resolutions of record by the Arizona Highway Commission and the Arizona Transportation Board.

The previously acquired right of way is no longer needed for State transportation purposes. The City of Flagstaff has agreed to accept jurisdiction of the right of way in accordance with Intergovernmental Agreements #03-64, dated August 20, 2004 and #05-048, dated July 15, 2005. Accordingly, I recommend that the State's interest in the right of way be abandoned.

The right of way to be abandoned, subject to access control, is depicted in Appendix "A" and delineated on the maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Right of Way Plans, FLAGSTAFF - CAMERON Highway, Project U-089-C-801 / 089CN418H510601R."

I further recommend that the right of way depicted in Appendix "A" be removed from the State Highway System and abandoned to the City of Flagstaff, and that access be controlled as delineated on the maps and plans.

All other rights of way and easements and appurtenances thereto subject to the provisions of Arizona Revised Statutes Section 28-7210 shall continue as they existed prior to the disposal of right of way depicted in Appendix "A".

Pursuant to Arizona Revised Statutes Section 28-7046, I recommend that the Transportation Board adopt a resolution making this recommendation effective.
