REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the establishment and improvement of a portion of State Route 101 Loop within the above referenced project.

This portion was previously established by Arizona Transportation Board Resolution 83-03-A-10 dated February 18, 1983, as a State Route Plan designating this portion as State Route 417; Resolution 84-12-A-78 dated December 17, 1984, established advance acquisition for State Route 417; Resolution 86-13-A-79 dated December 19, 1986, designated State Route 417 as a state highway; Resolution 87-11-A-105 dated December 18, 1987, renumbered State Route 417 to State Route 101 Loop; and Resolution 88-10-A-93 dated October 21, 1988 established State Route 101 Loop as an access controlled state highway.

New right of way and slope easements are now needed for construction of a u-turn structure and frontage road. Accordingly, it is necessary to establish and acquire the new right of way for this project.

The new right of way to be established and acquired for this improvement is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Right of Way Plans, AGUA FRIA FREEWAY, Project 101LMA016H707601R."
