REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the establishment and improvement of a portion of State Route 101L within the above referenced project.

This portion was previously established as a State Route, designated State Route 417 by Arizona Transportation Board Resolution 84-11-A-73, dated November 16, 1984; Resolution 87-11-A-105, dated December 18, 1987, renumbered State Route 417 to State Route 101 Loop; and Resolution 88-10-A-92, dated October 21, 1988, established a refined portion of the State Route Plan and approved advance acquisition; Thereafter, various Resolutions established additional right of way for improvements thereof.

Additional right of way is now needed for utility relocation improvements. Accordingly, it is necessary to establish and acquire the additional right of way for this improvement.

The additional right of way to be established and acquired for this improvement is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Right of Way Plans, AGUA FRIA FREEWAY, Project 101MA000H726701R."
