REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the abandonment of a portion of right of way acquired for State Route 101 Loop within the above referenced project.

This portion was previously established as a state route and state highway by Arizona Department of Transportation Resolution 78-15-A-049 dated September 22, 1978; Resolution 84-11-A-073 dated November 16, 1984, established advance acquisition of the State Route Plan designating it State Route 417; Resolution 87-11-A-105 dated December 18, 1987, redesignated State Route 417 to State Route 101 Loop, Resolutions 88-10-A-092 dated October 21, 1988; and 98-06-A-021 dated June 19, 1998, established additional right of way for improvements thereof.

A portion of the previously acquired right of way is no longer needed for state transportation purposes. The Cities of Phoenix, Avondale and Tolleson have agreed to accept jurisdiction of the right of way for a continued public transportation use by the 120-day advance notice dated March 6, 2009. Accordingly, I recommend that the State's interest in the portion of right of way be abandoned.

I further recommend that the portion of right of way depicted in Appendix "A" be removed from the State Highway System and abandoned to the Cities of Phoenix, Avondale and Tolleson.

All other rights of way and easements and appurtenances thereto subject to the provisions of Arizona Revised Statutes Section 28-7210 shall continue as they existed prior to the disposal of right of way depicted in Appendix "A".

Pursuant to Arizona Revised Statutes Section 28-7046, I recommend that the Transportation Board adopt a resolution making this recommendation effective.
