REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the redesignation and renumbering of a portion of State Route 40B within the above referenced project.

This portion was previously established as a State Route and State Highway, designated U.S. Route 66, by Arizona Highway Commission Resolution dated September 9, 1927, page 26 of the Official Minutes; thereafter, various Resolutions established additional right of way for improvements; and Arizona Transportation Board Resolution 84-10-A-063, dated October 26, 1984, renumbered and redesignated U.S. Route 66 to State Route 40B.

The ADOT Kingman District has requested route redesignation and renumbering of a portion of State Route 40B in Kingman to enhance operational procedures.

Accordingly, I recommend that the portion of State Route 40B be redesignated and renumbered as U.S. Route 93 from Milepost 71.03 to 71.37 and State Route 66 from Milepost 56.43 to 56.73 as shown on Appendix "A" and delineated on maps and Plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona.

Upon adoption of the above recommendation, I further recommend that the route designation State Route 40B be eliminated from the portion of state highways being redesignated and renumbered herein.

Pursuant to Arizona Revised Statutes 28-7046, I recommend the adoption of a resolution making this recommendation effective.

Respectfully submitted,

JOHN S. HALIKOWSKI, Director
