REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the amended abandonment of a portion of State Route 101 Loop within the above referenced project.

This portion was previously established as a state route and state highway by Arizona Transportation Board Resolution 78-15-A-049, dated September 22, 1978; Resolution 84-11-A-073 dated November 16, 1984, established advance acquisition of the State Route Plan designating it State Route 417; Resolution 87-11-A-105 dated December 18, 1987 redesignated State Route 417 to State Route 101 Loop, Resolutions 88-10-A-092 dated October 21, 1988; and 98-06-A-021 dated June 19, 1998, established additional right of way for improvements; Resolution 2009-07-A-049 dated July 17, 2009 abandoned a portion of 99<sup>th</sup> Avenue thereof.

A portion of the previously acquired right of way is no longer needed for state transportation purposes. The City of Avondale has agreed to accept jurisdiction of the right of way for a continued public transportation use by the 120-day advance notice dated October 1, 2009. Accordingly, I recommend that the State's interest in the portion of right of be abandoned.

The amended portion right of way is depicted in Appendix "A" and delineated on maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Right of Way Plans, AGUA FRIA FREEWAY, Project 600-0-701 / 101LMA002H081103R."

In the interest of public safety, necessity, and convenience, I recommend the amendment of Resolution 2009-07-A-049 recorded July 21, 2009 in Document # 2009-0669114, and that the modified area of right of way depicted in Appendix "A" be abandoned.

All other rights of way and easements and appurtenances thereto subject to the provisions of Arizona Revised Statutes Section 28-7210 shall continue as they existed prior to the disposal of right of way depicted in Appendix "A".
